## **Annual Charity Golf Classic**

Thank you for considering supporting the Sarnia Bluewater Wrestling Club Charity Golf Classic.

We are a not for profit organization that was established in 1976 that provides training and competitive opportunities for hundreds of young athletes in Sarnia Lambton in Olympic style wrestling. Wrestling is often considered the world's oldest sport and is practiced all over the earth in many forms. Wrestling is a demanding sport that brings technique and conditioning together in a contest between two competitors with the goal to subdue and control the other person's body in an atmosphere of respect and sportsmanship.

Our athletes routinely train and compete all over Ontario, Canada and other parts of the world where they are ambassadors for their community. Our athletes, coaches and administrators have participated in events like:

Provincial Championships

National Championships

Pan American Championships

Commonwealth Championships

World Championships

Olympic Games

With your generous support we will be able to offer these hard working and dedicated young men and women the opportunity to pursue their athletic dreams and develop the skills and mindset that will make them productive members of society.
